

Fagbladet Dansk VVS

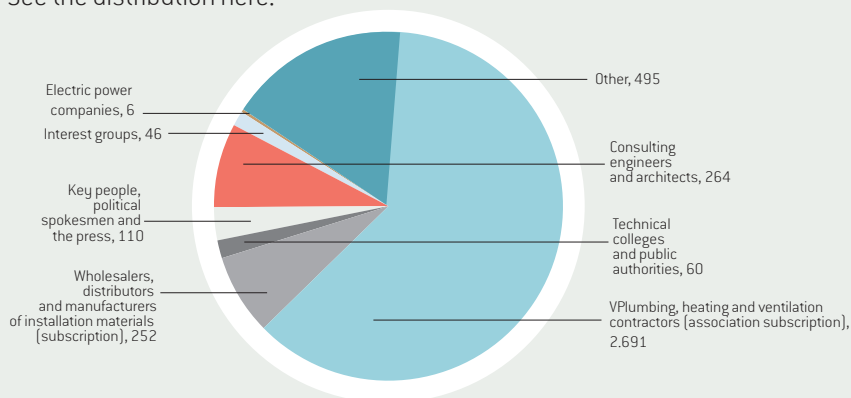

MEDIEINFORMATION 2021

About Dansk VVS

Dansk VVS is published 6 times a year and sent to the members of TEKNIQ in the heating and ventilation contractors. With an advertisement in Dansk VVS, your company has the most effective exposure to the plumbing, heating and ventilation contractors who make all strategic decisions in the company, including which range of products the end customers are offered. The total circulation of Dansk VVS is 3,924.

See the distribution here:

Dansk VVS online

Dansk VVS is available at www.tekniq.dk as an iPaper.

All of the magazine's advertisements are available here and can be made into active links to your website. All magazines are archived at www.tekniq.dk and are often visited by our members who use the archive as a reference work. Thus, your advertisement has an infinite life in principle.
